SCOTTISH RITE BUYS UPSON LOTS

Cathedral Site Is Increased by 40 Feet; Winchester Cooley Buys Home.

The Scottish Rite Masons have purchased an additional 40 feet frontage from Mrs. E. E. Baber, adjoining the cathedral site on Upson avenue, and this will be used as additional room for the \$150,000 Scottish Rite cathedral which the local lodge is planning to build on this site within the next year.

Mrs. Baber was planning to build an apartment house on her lots facing Upson avenue. But the lodge offered her \$5000 for the site, and she has accepted it.

Winchester Cooley has bought the 12 room house on Elm street in Manhattan Heights from A. J. Fulan, and is having it remodeled and will occupy it as his home. The towers have been removed from the building and a number of additions are being made to the residence. When the house is completed it will be valued at \$20,000. The house was started by Mr. Fulan as his home. It is located on 120 feet fronting Elm street.

Robert L. Holliday is having his new home built on the corner of Elm and Gold street, in Manhattan Heights, which he will occupy. The house will have six rooms and two sleeping porches and will be of brick construction. The bungalow will cost \$4500 and will be completed by July 15.

Two New Bungalows.

The Phoenix El Paso Building company has started work on a four room brick bungalow on the 2200 block of Huaco street, in the East El Paso addition. The house will cost \$2500.

R. A. Williams is building a six room brick bungalow on Frutas street, on lots 25, 26, 27, 28, of the East El Paso addition. It will cost \$4500.
